

Technical Training Calendar May 2021

To search for available classes, sign into [DaikinCity.com](https://www.daikin.com/daikin-city) and launch **Daikin University** from the Training Center.

Enrollment is a 2-step process. After successfully requesting the class on Daikin University, please complete your class registration by using the link sent to you to your email inbox (or spam).

Included in the email will be a password. Please use the password to join the class on the day/time you are signed up.

Once you have completed your registration, you will receive an email from GoToWebinar which will provide you with the link to join your class. [Click here for example of that email.](#)

- Each student must complete all sessions, for each course, to get completion credit for the course.
- Attendance is recorded based on the person that joins the webinar from their own email confirmation. Please know, if students watch together in a group, they will not get credit, only the person that signed up will receive the credit for the course in their Daikin City account.
- **All classes are at no cost**; please make sure all students have an account in Daikin City. This is how class attendance, participation and completion are tracked.

For DaikinCity account assistance, please email daikincity@daikincomfort.com. For Daikin University assistance, please contact the technicaltraining@daikincomfort.com
